

Introduction to the Finance Office & Governmental Accounting Seminar

Thursday, April 27, 2017

Forest Park Senior Center - Forest Park, Ohio

This seminar is designed as an introduction to the public finance office. It incorporates a high level look at the various issues that can be encountered in the finance office, including but not limited to Ethics, Public Records, Human Resources, Accounting Principles, Revenues, Expenditures, Budgets, Banking & Investments, Debt Issuance, Internal Control and Audits.

It is designed for newly elected and appointed officials and employees of the public finance office and would be a great way for any public official to understand the complexities involved in the public finance office.
